

Parent Portal is an excellent way to keep up to date!

It is the College's way to keep in touch with parents/guardians about the attendance and progress of students.

You will be able to view live data about how well your young person is attending and achieving on their course as well as their current timetable.

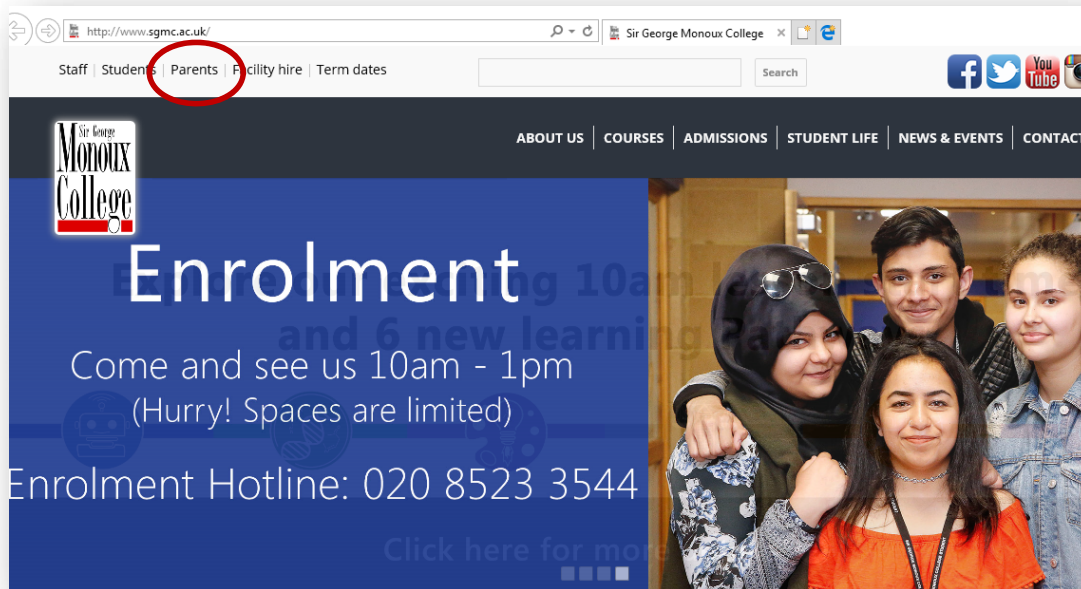

We can work together to flag up issues before they become problems!

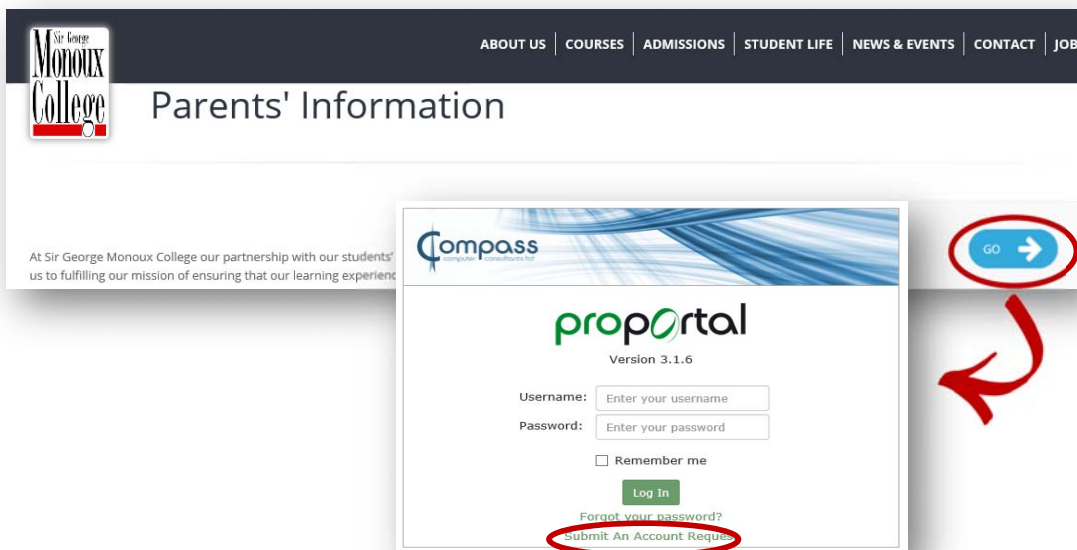

Parent Portal

How to Register

Go to the 'Parents' section of our website (www.sgmc.ac.uk):

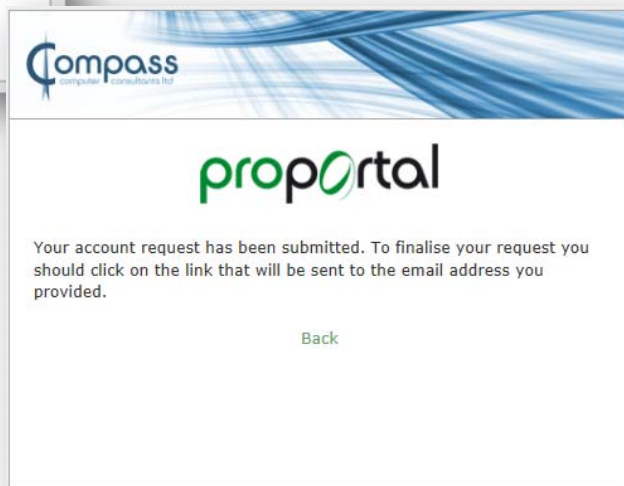

Select 'Access Parent Portal':

Enter your details as requested (you may be contacted to authenticate the request):

The screenshot shows the 'proportal' account request form. At the top left is the 'Compass computer consultants ltd' logo. The 'proportal' logo is centered. Below it, a message reads: 'Please enter your details. The email address and phone number you provide will be used if you need to be contacted about your account.' The form contains several input fields: 'Forename:', 'Surname:', 'Email:', 'Confirm Email:', 'Password:', and 'Confirm Password:'. A note states: 'Your password should be at least 8 characters in length.' Below these are fields for 'Student ID:', 'Forename:', 'Surname:', and 'Date of Birth:' (with a 'dd/mm/yyyy' placeholder). A second message says: 'Please provide some additional information to authenticate your request.' This is followed by 'What is your relationship to the student?' and 'What is your Mobile Number?'. A green 'Submit Request' button is circled in red. A red arrow points from this button to the second screenshot. At the bottom left is a 'Back' link.

The screenshot shows the confirmation page after submitting the request. It features the 'Compass computer consultants ltd' logo at the top left and the 'proportal' logo in the center. The main text reads: 'Your account request has been submitted. To finalise your request you should click on the link that will be sent to the email address you provided.' At the bottom center is a 'Back' link.
