

Sir George Monoux College

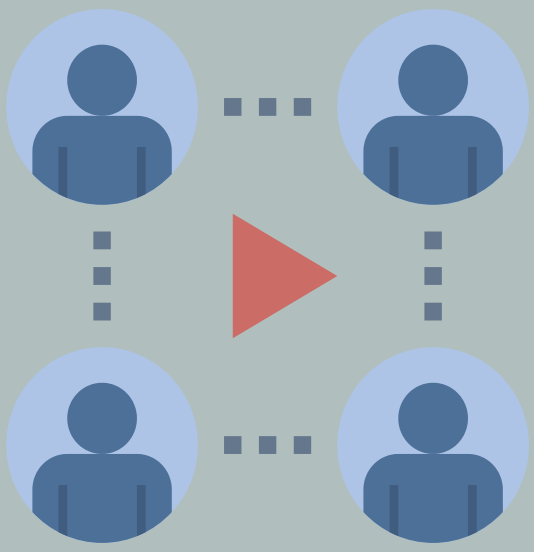

# Strategic Objectives 2023 to 2027

1

Through our **curriculum strategy** establish an outstanding learning ethos

2

Deliver a **skills strategy** that optimises students' ability to make a strong contribution to the UK economy in their future careers

3

Grow **learner enrolments**, to be a college of over 2000 learners with a balance between A Level and technical programs

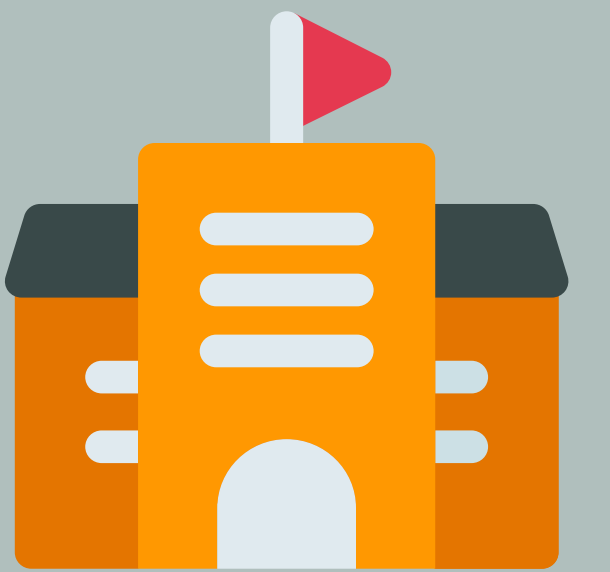

4

Achieve the necessary **financial strength**, stability and efficiency to be able to invest in our change agenda

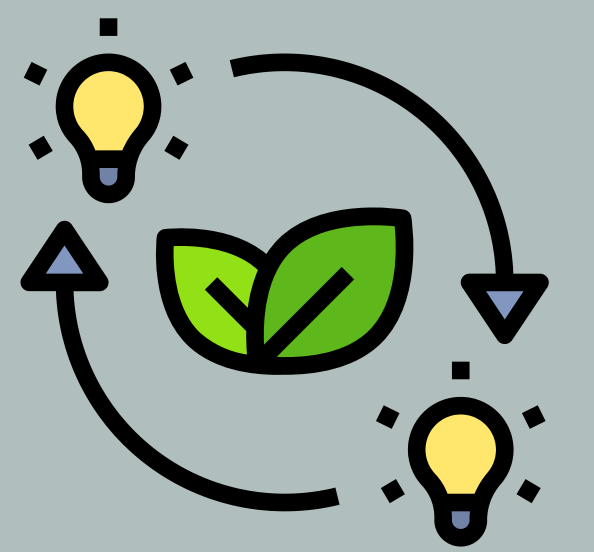

5

Deliver a **property strategy** that addresses gaps in the quality and effectiveness of our site

6

Embed our **strategy for climate change and sustainability**

"To give students control of their future by learning and changing today"
